Sprig Reading is a progress monitoring tool for teachers to regularly track reading progress, ensuring every student masters the foundational skills required to read at grade-level.

Achieve
90%+
classroom reading
proficiency by
grade 3.

- ▶ Monitor student progress on 5 Reading Domains | 29 Skill Sets | 208 Skills PLUS: 220 High Frequency Words.

- ▶ Support differentiated instruction in whole group, small group, and individual intervention settings, monitoring skill progression against research-based benchmarks.

- ▶ Enhance any research-based literacy program, screener or resource currently used in your classroom.

Student List	Blend Syllables in Words	Delete Compound Words	Discriminate Between Rhyming and Non-Rhyming Words	Isolate Initial Letters
John Lewis	11/20/2023	11/8/2023	11/8/2023	11/8/2023
Daunte Jones	11/8/2023	11/8/2023	11/8/2023	11/8/2023
Carmela Richards	11/20/2023	11/8/2023	11/8/2023	11/8/2023
Jennifer O'Leary	11/13/2023	11/13/2023	11/8/2023	11/13/2023
Kell Brooks				

The circle charts were a game changer in primary literacy. They allowed us to zone in on gaps and explicitly teach the foundational literacy skill that a child was missing.

Christy Fennell, Superintendent, SD 59 Peace River South

Proven Platform for Literacy Equity

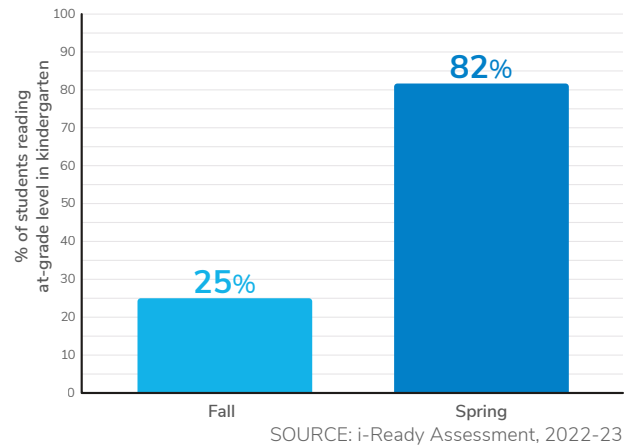

Early literacy teams can achieve 90%+ reading proficiency for their classrooms.

Sustained Change Over Time

School Division A: Before and After Program Implementation
Students Reading At Grade Level After Three Years

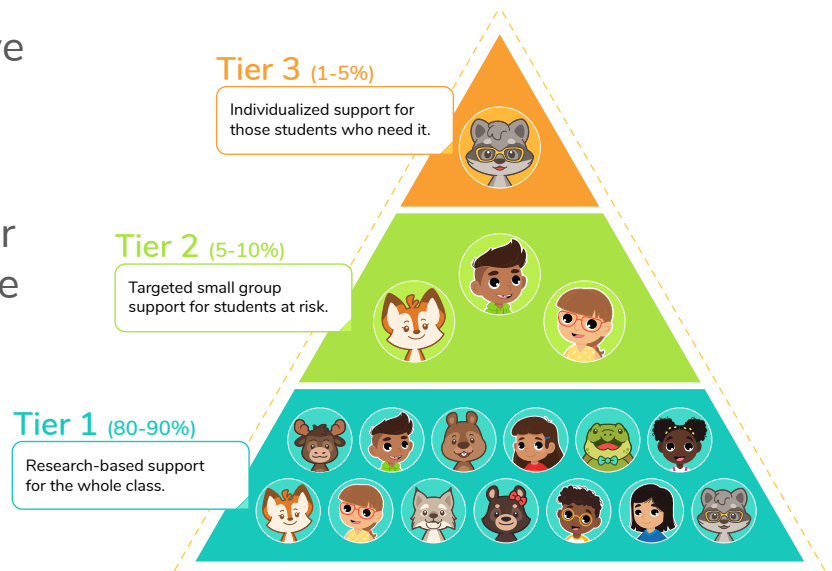

Immediate Increase in One Year

Monitor Progress Differently. Ensure Every Student Can Read.

Research says 95% of students have the cognitive capacity to read.

Every student, regardless of their current reading level, background, or exceptionalities, can benefit from the proven approach of Sprig Reading. Every student's learning journey is unique and deserves personalized progress monitoring.

By the end of our first year, all of our kindergarteners were reading. 100% of them! This app works because it's research based. It has completely changed the trajectory of our students and the way I teach literacy.

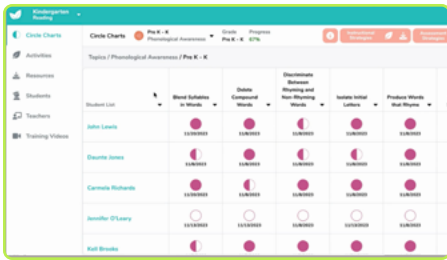

Dianne Bassendowski, Principal of Windrem Elementary

sprigreading

Set up in minutes. Monitor reading progress continuously to inform instruction and maximize every student's reading potential.

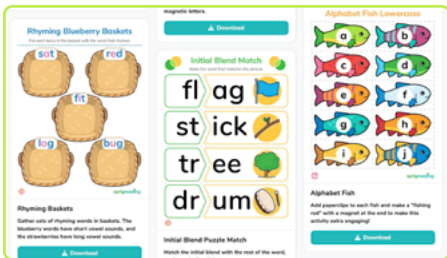

Intuitive Circle Charts

Use our proven Circle Chart methodology to quickly input and track foundational reading skills data for every student.

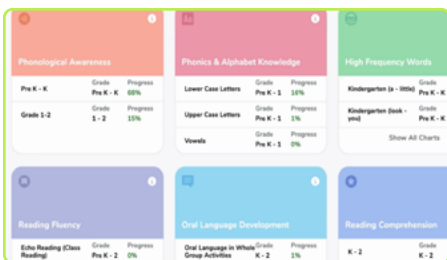

Comprehensive Reports

Visual reports simplify measuring achievement, identifying skills needing explicit instruction and practice, and determining potential student groupings.

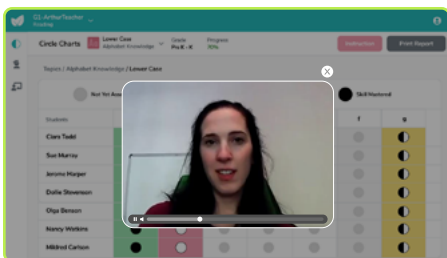

Classroom Resources

Explore hundreds of valuable, printable resources to enrich your classroom instruction in foundational reading concepts.

Personalized Activities

Get personalized play-based activities recommended specifically for your classroom that teach the foundational reading skills during whole-class instruction, center-based instruction and/or one-on-one with students.

On-demand Training Videos

Receive transformative, evidence-based professional learning that seamlessly translates crucial concepts into effective teaching practices.
